

Central Illinois Aerospace Calendar 2008

<http://www.prairienet.org/cia/>

The CIA normally holds launches on the 2nd and 4th Saturdays of each month. Most of these are at Pick Dodds Park in Champaign, starting at 1 pm. Occasionally we launch elsewhere and some launches start at 10 a.m. We also have monthly meetings on the 1st Tuesday of each month at the Springer Cultural Center at 301 N. Randolph in Champaign, at 7 pm. Everyone is welcome to attend our meetings or come and fly, or just watch, at our launches.
